

Happy Trails Checklist

1. Choose the color: Pick her favorite. (Red means love, Yellow means friendship)
2. Determine a path: Know where your trail will lead and how long it will be
3. Go to the florist/Sam's Club, etc.: Pick up the pedals
Keep the pedals refrigerated
4. Plan ahead: Give yourself time to set up your path. (but not too much time)
Think about the flooring type (white carpet, red roses, not a good
combo)
Consider clean up (and plan to do it yourself)
5. Place the gift: Put the gift in an obvious location, surrounded by the remaining pedals.
